The Hanse 630E - KAZE - is characterized by its elegance, speed, and excellent standard features, as well as its self-tacking jib, large fully battened mainsail, dyneema ropes, twin wheels, and furling gennaker...

The boat was completely renovated inside in 2022 with a new clean and minimalist look. Its compact and elegant construction ensures a design that stands out from other models.

Of course, the Hanse 630E is very well equipped, both on deck and below, with white and gray interiors. Spacious salon, VIP cabin.

From the stern, you will look forward over an extensive linear deck with an elegant teak wood finish, with all hatches mounted flush with the deck surface.
